Regulated information

Transparency Declaration

Orange Belgium hereby discloses information in accordance with Article 14 of the Law of 2 May 2007 and the related Royal Decree of 14 February 2008:

On 6 October 2025, Orange Belgium received a joint transparency declaration from Nethys SA, Atlas Services Belgium SA and their controlling shareholders stating that, as of 6 October 2025, Nethys SA holds 2,986,979 shares, representing 4.43% of the total voting rights of the Company, while Atlas Services Belgium SA holds 51,427,221 shares, representing 76.29% of the total voting rights of the Company. Prior to the date referred to above, Nethys and Atlas Services Belgium held respective stakes of 11.08% and 69.64%. Nethys SA and Atlas Services Belgium SA are deemed to act in concert on the basis of a shareholders' agreement dated 2 May 2024.

The disclosure obligation is due to (i) the total holdings of Nethys SA in voting rights (section 10 A of the transparency declaration), falling under 5%, and (ii) the total holdings of Atlas Services Belgium in voting rights (section 10 A of the transparency declaration) going above 75%.

An increase above (or decrease below) the following thresholds requires a declaration to Orange Belgium and the Financial Services and Markets Authority (FSMA):

1. 3 % statutory threshold, as set out by the articles of association of the Company;
2. 5 % or each multiple of 5 %, as set out by the Belgian law.

The decrease in Nethys' shareholding in combination with the increase of Atlas Services Belgium's shareholding is a result of the partial execution of a put option foreseen in the shareholders' agreement referred to above whereby Atlas Services Belgium had committed to buying all or part of Nethys shares in Orange Belgium at a predetermined price. Nethys has the possibility to exercise this put option during certain windows in the three-year period that started on 2 June 2023.
